MY THANKS TO YOU:

My producer, **Sruly Meyer** for a first class production and for your untiring enthusiasm and passion to create meaningful Jewish music.

A heartfelt thank you to **Gabriella**, for your support, guidance and constant inspiration. My gratitude is everlasting.

My **dear parents**, for words cannot express my sincere gratitude for your patience, encouragement and unconditional love.

My live musical director **Luis Herszaft**, a friend more like a brother – thank you for being with me every step of the way on this wonderful journey.

Avi Newmark for introducing me to the scene and continuing to help nurture and produce the art I love.
